

Hello,

We write you from District 2 City Hall, Bucharest, we are local public authority and interested joining in a project as partner.

We submit our project idea on the INTERREG programme site "Awareness and change behaviors regarding urban mobility"

We are interested to promote the benefits of using alternative means of transport, bicycles, electric vehicles, walking, and changing behavior regarding transport among residents of District 2.

We are also interested to promote innovation and greening of urban transport among residents of District 2.

With kind regards,

Cristina Preda
