

ĐURĐEVAC

Đurđevac is small town, in Koprivnica-križevci county, with just 8.000 citizens. We are mainly agriculture area with big potential in tourism, food and wood industry. We have two industry zones with cca 35 enterprises with over 1.000 employees in milk and meat industry, furniture and parket industry. But we would like to help our SME to increase their competetiveness and to find new customers.
