

## **Catalan Women's Institute (ICD) from the Government of Catalonia**

We are looking for key partners from the Centre, North and South of Europe that are working on entrepreneurship and SME's competitiveness or that are managing structural funds.

The project aims to promote interregional cooperation in at least 5 European regions to improve public policies on entrepreneurship and SME's competitiveness facilitating the involvement of young women in entrepreneurship initiatives.

Current project partners are Catalan Women's Institute (ICD)- Government of Catalonia (Spain), Micro, Small and Medium Enterprises of Catalonia (PIMEC) (Spain) and Regional Development Agency South West Oltenia (Romania).

Please do not hesitate to contact us for any further details, If needed, we can arrange a meeting in person to discuss in more detail our project proposal.
