

ERASMUS +. Strategic partnership in the field of entrepreneurship	
PROGRAMME /ACTION	KA2. Strategic partnerships in the field of youth
PROJECT (WORKING TITLE)	To be determined
AIMS	<p>The project is expected to achieve the following aims:</p> <ul style="list-style-type: none"> - To promote environmental entrepreneurship among youth. - To link entrepreneurship to the development of EU citizenship values and social responsibility. - To promote innovative practice of youth training to enhance the provision and assessment of transversal skills, such as creative and entrepreneurial thinking, attitudes and values at work and working with others.
PROJECT DESCRIPTION	<p>The project's target group will be:</p> <ul style="list-style-type: none"> - Young people - Youth workers/trainers from NGOs and/or local authorities - Youth managers and decision makers <p>The main activities of the project will be:</p> <ul style="list-style-type: none"> - Training seminars for youth workers/trainers to allow them to improve the mindset of skills covered by this project, especially those linked to environmental and entrepreneurial issues. - Development of an educational toolkit to be implemented in non-formal educational contexts. It will be about environmental entrepreneurship and it will follow a practical approach. - Pilot programme: the educational toolkit will be implemented and tested by some partners during the project life, to get feedback based on empirical evidence from youth workers/trainers and young people. - Manual of best practices: together with the educational toolkit, a manual of best practices will be produced to ensure the transferability of the results of this project. It will make easier for other organizations to replicate the work done by the partnership. - Website: the project website will be used to disseminate its results but mainly to make available all the educational resources and experiences developed in this project as Open Educational Resources. - Final closing event: to disseminate project results among target groups, beneficiaries and stakeholders.
