

Partner search Erasmus + and Nordplus

Piteå Municipality has about 42000 inhabitants and is situated in the north of Sweden at the Gulf of Botnia.

The Adult education unit is searching for partners to an Erasmus+KA1 or Nordplus mobility project.

At the adult education we are working in many different areas and the staff is about 30 persons.

In this project we are planning a mobility project for teachers working with students in basic level and upper secondary level. The teachers are 10 persons and their subjects are Language, mathematics, science, Social studies and art subjects. ,

We are interested to learn more about how other work in different learning environment , teaching methods and using digital techniques.

Deadline for Erasmus + is February 2 and for Nordplus March 1.

If you are interested and need more information.
