Project Title	Postgrade academic training on Tourism in the Volga region (FUCTReV)	
Programme/Call for proposals	Lifelong Learning Programme 2007-2013 TEMPUS 6th call - Joint Project Russia	
Partner leader	Université Paul Sabatier - Toulouse III Toulouse, France	
Outline of the project	<p>Astrakhan, Saratov and Volgograd regions (Russia) enjoy a particular natural and cultural environment that has made tourism a major economic sector in this area. However, some studies have emphasized the operators' lack of qualification and the lack of visibility of this destination. Last but not least, the regions suffer from a deficit of promotion of the Volga assets. The aim of this project is to structure the supply of training in the tourism sector in order to support the development of this industry in the Volga region.</p> <p>Sub-objectives:</p> <ul style="list-style-type: none"> • Redevelopment of the relationship between companies and universities ; • Modernization of teaching methods thanks to new educational tools. <p>French will be the working language.</p>	
Partners sought	Public and private organizations working in the tourism industry and/or in the relations between France and Russia.	
Deadline	To respond to this partner search : As soon as possible	For the submission of the project: End of March 2013
