<i>Description of project idea incl. theme and activities</i>	<p>Main goal:</p> <p>The Project will focus on young people to contribute and to increase their participation and implication with their city, and to promote the volunteer and active citizenship.</p> <p>Our purpose is to work with each group to discover the associations that exists in the town: cultural, social, Sports and youthful ones, and knowing about them, what they do and what can do young people in each association. All the associations have to be composed by volunteer members. As a result, each group will do a short promotional video of 2-3 associations. That means each team has to make a project before the Exchange!</p> <p>Once in Terrassa, we will have one week for sharing experiences of each group, watching the videos, doing debates about how the associations can be more attractive for young people and what contribution can do youngsters for them. Also we will do visits and workshops with Terrassa's associations.</p> <p>The lodging will be in two different places, a few days in a School and some days in a youth hostel. The lodging and activities are free. The participants will only pay a part of the tickets (train, plane)</p> <p>We are looking for 3 partners coming from a similar city as Terrassa, (a medium city between 150.000-500.000 people). Every Group has to be composed by 8 young people (4 women and 4 men), aged between 17-23 years old, and 1 leader with no age limit. Previous experiences in other exchanges will be appreciated.</p> <p>For the interested organizations please give confirmation from July 15th till September 7th. As soon as a partner will be selected, the details of the project will be sent.</p> <p>This project will be presented October 1, 2014.</p>
