Wymagania

On application for work abroad may apply teachers who have:

1. qualifications required in Poland to hold the position of a teacher of Polish language,
2. familiarity with the Russian language,
3. at least a good evaluation of work obtained in the period of 5 years directly before the submission of the application for work abroad, according to § 2 and 3 of the Minister of National Education Order of December 21, 2012 on criteria and procedure for evaluation of teachers' work, procedure of appeal and composition and manner of calling the evaluation committee (Dz. U. z 31 grudnia 2012 r., poz. 1538),
4. state of health enabling the work in the character of a teacher in a given country. Detailed rules of recruitment on the website www.orpeg.pl in the menu: kierowanie nauczycieli.

Obowiązki

Teachers cooperate with the local environment, conduct additionally courses of Polish language for adults, help in editing articles for Polish language magazines, in preparing radio and television broadcasts in Polish, organize patriotic and local events for the Polish population. Work of teachers abroad is not limited to didactic tasks. They organize scout groups, youth groups, folkloric ensembles. The task of teachers is not only teaching Polish language and promoting Polish culture, but also helping compatriots in the cultivation of Polish traditions and the approximation of the image of modern Poland.
